For: ORGANOSILICATE RESIN FORMULATION
OF RESIN IN MICROELECTRONIC DEVICES

Examiner: William P. Fletcher III

Petition Under 35 U.S.C. § 1.78(a)(6)

Mail Stop Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicants hereby petition the Commissioner for Patents under 35 U.S.C. § 1.78(a)(6) to accept their unintentionally delayed claim under 35 U.S.C. 119(e) for the benefit of the U.S. Provisional Patent Application Number 60/459730, filed April 2, 2003. The entire delay between the date the claim was due under 35 U.S.C. § 1.78(a)(5)(ii) and the date the claim has been filed was unintentional.

The pending nonprovisional application is a §371 application from PCT International Patent Application Number PCT/US2004/010330 filed March 31, 2004, which claimed benefit from U.S. Provisional Patent Application Number 60/459730, filed April 2, 2003. While the § 371 transmittal letter the claim to priority of the date of the provisional and the related PCT paperwork clearly made the claim to priority to the provisional, the instant nonprovisional application inadvertently did not contain and was not amended to contain a reference to the prior filed applications within the later of four months from the date on which the national stage

commenced under 35 U.S.C. § 371(b) or (f) or sixteen months from the filing date of the prior-filed provisional application. Applicant notes that the filing receipt had included the priority claim and thus applicants were not made aware of the oversight.

As required by 35 U.S.C. § 1.78(a)(6) the aforementioned petition for the priority claim, in addition to the above statement that the entire delay was unintentional, this petition is accompanied by:

- (i) The reference required by 35 U.S.C. 119(e), which reference is contained in a separate paper (“Amendment and Reply Under 35 U.S.C. § 1.111”) submitted concurrently herewith; and
- (ii) The surcharge set forth in 37 C.F.R. § 1.17(t).

The Commissioner is hereby authorized to charge any fees that may be required, or credit any overpayments, to deposit account number 04-1512.

Dated: February 26, 2010

Respectfully submitted,

By: /Susan Moeller Zerull/
